#### 1-3 Commonwealth-State financial relations

The Parliament acknowledges that the Commonwealth:

(a) will introduce legislation to provide that the revenue from the GST will be granted to the States, the Australian Capital Territory and the Northern Territory; and

(b) will maintain the rate and base of the GST in accordance with the Agreement on Principles for the Reform of Commonwealth-State Financial Relations endorsed at the Special Premiers’ Conference in Canberra on 13 November 1998.
Part 1-2—Using this Act

Division 2—Overview of the GST legislation

2-1 What this Act is about

This Act is about the GST.

It begins (in Chapter 2) with the basic rules about the GST, and then sets out in Chapter 3 the exemptions from the GST and in Chapter 4 the special rules that can apply in particular cases.

It concludes with definitions and other interpretative material.

Note: The GST is imposed by 3 Acts:

(a) the A New Tax System (Goods and Services Tax Imposition—General) Act 1999; and

(b) the A New Tax System (Goods and Services Tax Imposition—Customs) Act 1999; and

(c) the A New Tax System (Goods and Services Tax Imposition—Excise) Act 1999.

2-5 The basic rules (Chapter 2)

Chapter 2 has the basic rules for the GST, including:

- when and how the GST arises, and who is liable to pay it;
- when and how input tax credits arise, and who is entitled to them;
- how to work out payments and refunds of GST;
- when and how the payments and refunds are to be made.

2-10 The exemptions (Chapter 3)

Chapter 3 sets out the supplies and importations that are GST-free or input taxed.
2-15 The special rules (Chapter 4)

Chapter 4 has special rules which, in particular cases, have the effect of modifying the basic rules in Chapter 2.

Note: There is a checklist of special rules at the end of Chapter 2 (in Part 2-8).

2-20 Miscellaneous (Chapter 5)

Chapter 5 deals with miscellaneous matters.

2-25 Interpretative provisions (Chapter 6)

Chapter 6 contains the Dictionary, which sets out a list of all the terms that are defined in this Act. It also sets out the meanings of some important concepts and rules on how to interpret this Act.

2-30 Administration, collection and recovery provisions (Part VI of the Taxation Administration Act 1953)

Part VI of the Taxation Administration Act 1953 contains provisions relating to the administration of the GST, and to collection and recovery of amounts of GST.
Division 3—Defined terms

3-1 When defined terms are identified

(1) Many of the terms used in the law relating to the GST are defined.

(2) Most defined terms in this Act are identified by an asterisk appearing at the start of the term: as in “enterprise”. The footnote that goes with the asterisk contains a signpost to the Dictionary definitions starting at section 195-1.

3-5 When terms are not identified

(1) Once a defined term has been identified by an asterisk, later occurrences of the term in the same subsection are not usually asterisked.

(2) Terms are not asterisked in the non-operative material contained in this Act.

Note: The non-operative material is described in Division 4.

(3) The following basic terms used throughout the Act are not identified with an asterisk.

Within a definition, the defined term is identified by *bold italics*. 
Division 4—Status of Guides and other non-operative material

4-1 Non-operative material

In addition to the operative provisions themselves, this Act contains other material to help you identify accurately and quickly the provisions that are relevant to you and to help you understand them.

This other material falls into 2 main categories.

4-5 Explanatory sections

One category is the explanatory section in many Divisions. Under the section heading “What this Division is about”, a short explanation of the Division appears in boxed text.

Explanatory sections form part of this Act but are not operative provisions. In interpreting an operative provision, explanatory sections may only be considered for limited purposes. They are set out in section 182-10.

4-10 Other material

The other category consists of material such as notes and examples. These also form part of the Act. They are distinguished by type size from the operative provisions (except for formulas), but are not kept separate from them.
Chapter 2—The basic rules

Division 5—Introduction

5-1 What this Chapter is about

This Chapter sets out the basic rules for the GST. In particular, these rules will tell you:

• where liability for GST arises;
• where entitlements to input tax credits arise;
• how the amounts of GST and input tax credits are combined to work out the amount payable by you or to you;
• when and how that amount is to be paid.

5-5 The structure of this Chapter

The diagram on the next page shows how the basic rules in this Chapter relate to each other. It also shows their relationship with:

• the exemptions (Chapter 3)—these provisions exempt from the GST what would otherwise be taxable; and
• the special rules (Chapter 4)—these provisions modify the basic rules in particular situations, often in quite limited ways.

7-1  GST and input tax credits

(2) Entitlements to input tax credits arise on *creditable acquisitions and *creditable importations.

For taxable supplies and creditable acquisitions, see Part 2-2.

7-5  Net amounts

Amounts of GST and amounts of input tax credits are set off against each other to produce a *net amount for a tax period (which may be altered to take account of *adjustments).

For net amounts (including adjustments to net amounts), see Part 2-4.

7-10  Tax periods

Every entity that is *registered, or *required to be registered, has tax periods applying to it.

For registration, see Part 2-5.
For tax periods, see Part 2-6.

7-15  Payments and refunds

The *net amount for a tax period is the amount that the entity must pay to the Commonwealth, or the Commonwealth must refund to the entity, in respect of the period.

For payments and refunds (and GST returns), see Part 2-7.

Note: Refunds may be set off against your other liabilities (if any) under laws administered by the Commissioner.

9-1 What this Division is about

GST is payable on taxable supplies. This Division defines taxable supplies, states who is liable for the GST, and describes how to work out the GST on supplies.

Subdivision 9-A—What are taxable supplies?

9-5 Taxable supplies

You make a taxable supply if:

(a) you make the supply for consideration; and
(b) the supply is made in the course or furtherance of an enterprise that you carry on; and
(c) the supply is connected with Australia; and
(d) you are registered, or required to be registered.

However, the supply is not a taxable supply to the extent that it is GST-free or input taxed.

9-10 Meaning of supply

(1) A supply is any form of supply whatsoever.

(2) Without limiting subsection (1), supply includes any of these:

(a) a supply of goods;
(b) a supply of services;
(c) a provision of advice or information;
(d) a grant, assignment or surrender of *real property;
(e) a creation, grant, transfer, assignment or surrender of any right;
(f) a *financial supply;
(g) an entry into, or release from, an obligation:
   (i) to do anything; or
   (ii) to refrain from an act; or
   (iii) to tolerate an act or situation;
(h) any combination of any 2 or more of the matters referred to in paragraphs (a) to (g).
However, it does not include a supply of *money unless the money is provided as *consideration for a supply that is a supply of money.

(3) It does not matter whether it is lawful to do, to refrain from doing or to tolerate the act or situation constituting the supply.

9-15 Consideration

(1) Consideration includes:
   (a) any payment, or any act or forbearance, in connection with a supply of anything; and
   (b) any payment, or any act or forbearance, in response to or for the inducement of a supply of anything.

(2) It does not matter whether the payment, act or forbearance was voluntary, or whether it was by the *recipient of the supply.

(3) However:
   (a) if a right or option to acquire a thing is granted, then:
      (i) the consideration for the supply of the thing on the exercise of the right or option is limited to any additional consideration provided either for the supply or in connection with the exercise of the right or option; or
      (ii) if there is no such additional consideration—there is no consideration for the supply; and
   (b) a payment made as a gift to a non-profit body is not the provision of consideration; and
A payment made by an *Australian government agency to another Australian government agency is not the provision of consideration if the payment is specifically covered by an appropriation under an *Australian law.

9-20 Enterprises

(1) An enterprise is an activity, or series of activities, done:

(a) in the form of a *business; or
(b) in the form of an adventure or concern in the nature of trade; or
(c) on a regular or continuous basis, in the form of a lease, licence or other grant of an interest in property; or
(d) by the trustee of a fund that is covered by, or by an authority or institution that is covered by, Subdivision 30-B of the Income Tax Assessment Act 1997 and to which deductible gifts can be made; or
(e) by a charitable institution or by a trustee of a charitable fund; or
(f) by a religious institution; or
(g) by the Commonwealth, a State or a Territory, or by a body corporate, or corporation sole, established for a public purpose by or under a law of the Commonwealth, a State or a Territory.

(2) However, enterprise does not include an activity, or series of activities, done:

(a) as an employee or other *PAYE earner (unless it is done in supplying services as the holder of an office that the employee or PAYE earner has accepted in the course of or in connection with an activity or series of activities of the kind mentioned in subsection (1)); or

Note: An employee’s or PAYE earner’s acts will still form part of the activities of the enterprise in which he or she is employed.

(b) as a private recreational pursuit or hobby; or
(c) by an individual (other than a trustee of a charitable fund), or a *partnership (all the members of which are individuals), without a reasonable expectation of profit or gain; or
Supplies connected with Australia

Supplies of goods wholly within Australia

(1) A supply of goods is connected with Australia if the goods are delivered, or made available, in Australia to the recipient of the supply.

Supplies of goods from Australia

(2) A supply of goods that involves the goods being removed from Australia is connected with Australia.

Supplies of goods to Australia

(3) A supply of goods that involves the goods being brought to Australia is connected with Australia if the supplier either:

(a) imports the goods into Australia; or

(b) installs or assembles the goods in Australia.

Supplies of real property

(4) A supply of real property is connected with Australia if the real property is in Australia.

Supplies of anything else

(5) A supply of anything other than goods or real property is connected with Australia if either:

(a) the thing is done in Australia; or

(b) the supplier makes the supply through an enterprise that the supplier carries on in Australia.

When enterprises are carried on in Australia

(6) An enterprise is carried on in Australia if the enterprise is carried on through:
9-30 Supplies that are GST-free or input taxed

GST-free

(1) A supply is **GST-free** if it is GST-free under Division 38.

Input taxed

(2) A supply is **input taxed** if it is input taxed under Division 40.

Note: If a supply is input taxed, there is no entitlement to an input tax credit for the things that are acquired or imported to make the supply (see sections 11-15 and 15-10).

GST-free overrides input taxed

(3) If, apart from this subsection, a supply would be both wholly GST-free and wholly input taxed, then the supply is taken to be GST-free and not input taxed.

Supply of things used solely in connection with making supplies that are input taxed but not financial supplies

(4) A supply is taken to be a supply that is input taxed if it is a supply of anything that you have used solely in connection with your supplies that are input taxed but are not financial supplies.

Subdivision 9-C—How much GST is payable on taxable supplies?

9-70 The amount of GST on taxable supplies

The amount of GST on a *taxable supply is 10% of the *value of the taxable supply.

9-75 The value of taxable supplies

The value of a *taxable supply is as follows:

\[
\text{Price} \times \frac{10}{11}
\]

where:

price is the sum of:

(a) so far as the *consideration for the supply is consideration expressed as an amount of *money—the amount (without any discount for the amount of GST (if any) payable on the supply); and

(b) so far as the consideration is not consideration expressed as an amount of money—the *GST inclusive market value of that consideration.

Example: You make a taxable supply by selling a car for $22,000 in the course of carrying on an enterprise.

The value of the supply is:

\[
$22,000 \times \frac{10}{11} = $20,000
\]

The GST on the supply is therefore $2,000 (i.e. 10% of $20,000).

9-80 The value of taxable supplies that are partly GST-free or input taxed

If a supply (the actual supply) is:

(a) partly a *taxable supply; and

(b) partly a supply that is *GST-free or *input taxed;
Section 9-99

the value of the part of the actual supply that is a taxable supply is the proportion of the value of the actual supply (worked out as if it were solely a taxable supply) that the taxable supply represents.

Division 11—Creditable acquisitions

11-1 What this Division is about

You are entitled to input tax credits for your creditable acquisitions. This Division defines creditable acquisitions, states who is entitled to the input tax credits and describes how to work out the input tax credits on acquisitions.

11-5 What is a creditable acquisition?

You make a creditable acquisition if:
(a) you acquire anything solely or partly for a creditable purpose; and
(b) the supply of the thing to you is a taxable supply; and
(c) you provide, or are liable to provide, consideration for the supply; and
(d) you are registered, or required to be registered.

11-10 Meaning of acquisition

(1) An acquisition is any form of acquisition whatsoever.

(2) Without limiting subsection (1), acquisition includes any of these:
(a) an acquisition of goods;
(b) an acquisition of services;
(c) a receipt of advice or information;
(d) an acceptance of a grant, assignment or surrender of real property;
(e) an acceptance of a grant, transfer, assignment or surrender of any right;
(f) an acquisition of something the supply of which is a financial supply;
(g) an acquisition of a right to require another person:
   (i) to do anything; or
   (ii) to refrain from an act; or
   (iii) to tolerate an act or situation;
(h) any combination of any 2 or more of the matters referred to in paragraphs (a) to (g).

However, it does not include an acquisition of *money unless the money is provided as *consideration for a supply that is a supply of money.

11-15 Meaning of creditable purpose

(1) You acquire a thing for a creditable purpose to the extent that you acquire it in *carrying on your *enterprise.

(2) However, you do not acquire the thing for a creditable purpose to the extent that:

(a) the acquisition relates to making supplies that would be *input taxed; or

(b) the acquisition is of a private or domestic nature.

(3) To the extent that an acquisition relates to making *financial supplies through an *enterprise, or a part of an enterprise, that you *carry on outside Australia, the acquisition is not, for the purposes of paragraph (2)(a), treated as one that relates to making supplies that would be *input taxed.

11-20 Who is entitled to input tax credits for creditable acquisitions?

You are entitled to the input tax credit for any *creditable acquisition that you make.

11-25 How much are the input tax credits for creditable acquisitions?

The amount of the input tax credit for a *creditable acquisition is an amount equal to the GST payable on the supply of the thing acquired. However, the amount of the input tax credit is reduced if the acquisition is only *partly creditable.

11-30 Acquisitions that are partly creditable

(1) An acquisition that you make is partly creditable if it is a *creditable acquisition to which one or both of the following apply:
(a) you make the acquisition only partly for a *creditable purpose;
(b) you provide, or are liable to provide, only part of the *consideration for the acquisition.

(2) However, the acquisition is not *partly creditable if:
(a) it was made for a *creditable purpose except to the extent (if any) that the acquisition relates to making *financial supplies; and
(b) your *annual turnover of financial supplies does not exceed either:
   (i) $50,000 or such other amount specified in the regulations; or
   (ii) 5% of your *annual turnover (treating supplies that are input taxed as part of your annual turnover).

(3) The amount of the input tax credit on an acquisition that you make that is *partly creditable is as follows:

\[
\text{Full input tax credit} \times \frac{\text{Extent of creditable purpose}}{100} \times \frac{\text{Extent of consideration}}{100}
\]

where:

- **extent of consideration** is the extent to which you provide, or are liable to provide, the *consideration for the acquisition, expressed as a percentage of the total consideration for the acquisition.

- **extent of creditable purpose** is the extent to which the *creditable acquisition is for a *creditable purpose, expressed as a percentage of the total purpose of the acquisition.

- **full input tax credit** is what would have been the amount of the input tax credit for the acquisition if it had been made solely for a creditable purpose and you had provided, or had been liable to provide, all of the consideration for the acquisition.

(4) For the purpose of working out the extent of the *consideration, so far as the consideration is not expressed as an amount of *money, take into account the *GST inclusive market value of the consideration.

Part 2-3—Importations

Division 13—Taxable importations

13-1 What this Division is about

GST is payable on taxable importations. This Division defines taxable importations, states who is liable for the GST and describes how to work out the GST on importations.

Note 1: This Division applies whether or not you are registered.
Note 2: Things other than goods that are supplied overseas for use in Australia (and are therefore in that sense “imported”) are not taxable importations, but they can attract GST under Division 84.

13-5 What are taxable importations?

(1) A taxable importation is an *importation of goods into Australia, but only to the extent that it is not a *non-taxable importation.

Note: There is no registration requirement for taxable importations, and the importer need not be carrying on an enterprise.

(2) You make an importation of goods into Australia if:

(a) you enter the goods for home consumption (within the meaning of the Customs Act 1901); and

(b) at the time they are so entered for home consumption, you are the owner (within the meaning of that Act) of the goods.

(3) However, an importation of *money is not an importation of goods into Australia.

13-10 Meaning of non-taxable importation

An importation is a non-taxable importation if:

(a) it is a non-taxable importation under Part 3-2; or

(b) it would have been a supply that was *GST-free or *input taxed if it had been a supply.
13-15 Who is liable for GST on taxable importations?

You must pay the GST payable on any *taxable importation that you make.

13-20 How much GST is payable on taxable importations?

(1) The amount of GST on the *taxable importation is 10% of the *value of the taxable importation.

(2) The value of a *taxable importation is the sum of:
   (a) the customs value (for the purposes of Division 2 of Part VIII of the Customs Act 1901) of the goods imported; and
   (b) the amount paid or payable:
       (i) to transport the goods to Australia; and
       (ii) to insure the goods for that transport;
       to the extent that the amount is not already included under paragraph (a); and
   (c) any *customs duty payable in respect of the importation of the goods.

13-25 The value of taxable importations that are partly non-taxable importations

If an importation (the actual importation) is:
   (a) partly a *taxable importation; and
   (b) partly a *non-taxable importation;
the value of the part of the actual importation that is a taxable importation is the proportion of the value of the actual importation (worked out as if it were solely a taxable importation) that the taxable importation represents.

Section 15-1

Division 15—Creditable importations

15-1 What this Division is about

You are entitled to input tax credits for your creditable importations. This Division defines creditable importations, states who is entitled to the input tax credits and describes how to work out the input tax credits on importations.

15-5 What are creditable importations?

You make a creditable importation if:

(a) you import goods solely or partly for a creditable purpose; and

(b) the importation is a taxable importation; and

(c) you are registered, or required to be registered.

15-10 Meaning of creditable purpose

(1) You import goods for a creditable purpose to the extent that you import the goods in carrying on your enterprise.

(2) However, you do not import the goods for a creditable purpose to the extent that:

(a) the importation relates to making supplies that would be input taxed; or

(b) the importation is of a private or domestic nature.

(3) To the extent that an importation relates to making financial supplies through an enterprise, or a part of an enterprise, that you carry on outside Australia, the importation is not, for the purposes of paragraph (2)(a), treated as one that relates to making supplies that would be input taxed.
15-15 Who is entitled to input tax credits for creditable importations?

You are entitled to the input tax credit for any *creditable importation that you make.

15-20 How much are the input tax credits for creditable importations?

The amount of input tax credit for a *creditable importation is an amount equal to the GST payable on the importation. However, the amount of the input tax credit is reduced if the importation is only *partly creditable.

15-25 Importations that are partly creditable

(1) An importation that you make is partly creditable if it is a *creditable importation that you make only partly for a *creditable purpose.

(2) However, the importation is not *partly creditable if:

(a) it was made for a *creditable purpose except to the extent (if any) that the importation relates to making *financial supplies; and

(b) your *annual financial supplies turnover does not exceed either:

(i) $50,000 or such other amount specified in the regulations; or

(ii) 5% of your *annual turnover (treating supplies that are input taxed as part of your annual turnover)

(3) The amount of the input tax credit on an importation that you make that is *partly creditable is as follows:

Full input tax credit \times \text{Extent of creditable purpose}

where:

\text{extent of creditable purpose} is the extent to which the importation is for a *creditable purpose, expressed as a percentage of the total purpose of the importation.
full input tax credit is what would have been the amount of the input tax credit for the importation if it had been made solely for a creditable purpose.

Part 2-4—Net amounts and adjustments

Division 17—Net amounts and adjustments

17-1 What this Division is about

A net amount is worked out for each tax period that applies to you. This is the amount payable by you to the Commonwealth, or payable to you by the Commonwealth, for the tax period.

Adjustments can be made to the net amount. Increasing adjustments increase your net amount, and decreasing adjustments decrease your net amount.

Note 1: GST on taxable importations is not included in the net amount. It is dealt with separately under section 33-15.

Note 2: Net amounts payable to the Commonwealth are to be paid to the Commissioner on the Commonwealth’s behalf (see Division 33).

17-5 Net amounts

(1) The net amount for a tax period applying to you is worked out using the following formula:

\[
\text{net amount} = \text{GST} - \text{input tax credits}
\]

where:

- \(\text{GST}\) is the sum of all of the GST for which you are liable on the taxable supplies that are attributable to the tax period.

- \(\text{input tax credits}\) is the sum of all of the input tax credits to which you are entitled for the creditable acquisitions and creditable importations that are attributable to the tax period.

For the basic rules on what is attributable to a particular period, see Division 29.

(2) However, the net amount for the tax period may be increased or decreased if you have any adjustments for the tax period.
17-10 Adjustments

If you have any *adjustments that are attributable to a tax period applying to you, alter your *net amount for the period as follows:

(a) add to the amount worked out under subsection 17-5(1) for the period the sum of all the *increasing adjustments (if any) that are attributable to the period;

(b) subtract from that amount the sum of all the *decreasing adjustments (if any) that are attributable to the period.

For the basic rules on what adjustments are attributable to a particular period, see Division 29.

A New Tax System (Goods and Services Tax) Act 1999
Division 19—Adjustment events

Table of Subdivisions

19-A Adjustment events
19-B Adjustments for supplies
19-C Adjustments for acquisitions

19-1 What this Division is about

Adjustments can arise because of adjustment events. They are events such as a cancellation of a supply or acquisition, or a change in the consideration for a supply or acquisition (for example, because of a volume discount).

Note: Importations do not give rise to adjustment events.

19-5 Explanation of the effect of adjustment events

The following diagram shows how an *adjustment event for a supply or acquisition can give rise to an *increasing adjustment or a *decreasing adjustment.
Has the GST on the supply increased or decreased because of the adjustment event?

If increased (section 19-50)

If decreased (section 19-80)

Has the input tax credit for the acquisition increased or decreased because of the adjustment event?

If increased (section 19-85)

If decreased (section 19-80)

You have an increasing adjustment, which will increase your net amount

You have a decreasing adjustment, which will decrease your net amount

You have neither an increasing adjustment nor a decreasing adjustment

Subdivision 19-A—Adjustment events

19-10 Adjustment events

(1) An adjustment event is any event which has the effect of:

(a) cancelling a supply or acquisition; or

(b) changing the consideration for a supply or acquisition; or

(c) causing a supply or acquisition to become, or stop being, a taxable supply or creditable acquisition.

Example: If goods that are supplied for export are not exported within the time provided in section 38-185, the supply is likely to become a taxable supply after originally being a supply that was GST-free.

(2) Without limiting subsection (1), these are adjustment events:

(a) the return to a supplier of a thing, or part of a thing, supplied (whether or not the return involves a change of ownership of the thing);
(b) a change to the previously agreed *consideration for a supply or acquisition, whether due to the offer of a discount or otherwise;

(c) a change in the extent to which an entity that makes an acquisition provides, or is liable to provide, consideration for the acquisition (unless the entity *accounts on a cash basis).

(3) An *adjustment event:

(a) can arise in relation to a supply even if it is not a *taxable supply; and

(b) can arise in relation to an acquisition even if it is not a *creditable acquisition.

Subdivision 19-B—Adjustments for supplies

19-40 Where adjustments for supplies arise

You have an adjustment for a supply for which you are liable to pay GST (or would be liable to pay GST if it were a *taxable supply) if:

(a) in relation to the supply, one or more *adjustment events occur during a tax period; and

(b) GST on the supply was attributable to an earlier tax period (or, if the supply was not a taxable supply, would have been attributable to an earlier tax period had the supply been a taxable supply); and

(c) as a result of those adjustment events, the *previously attributed GST amount for the supply no longer correctly reflects the amount of GST on the supply (the corrected GST amount), taking into account any adjustments for the supply.

19-45 Previously attributed GST amounts

The previously attributed GST amount for a supply is:

(a) the amount of any GST that was attributable to a tax period in respect of the supply; plus

(b) the sum of any *increasing adjustments, under this Subdivision, that were previously attributable to a tax period in respect of the supply; minus

---

*A New Tax System (Goods and Services Tax) Act 1999* 35
36  A New Tax System (Goods and Services Tax) Act 1999
19-75 Previously attributed input tax credit amounts

The *previously attributed input tax credit amount* for an acquisition is:

(a) the amount of any input tax credit that was attributable to a tax period in respect of the acquisition; plus

(b) the sum of any *increasing adjustments, under this Subdivision, that were previously attributable to a tax period in respect of the acquisition; minus

(c) the sum of any *decreasing adjustments, under this Subdivision, that were previously attributable to a tax period in respect of the acquisition.

19-80 Increasing adjustments for acquisitions

If the *previously attributed input tax credit amount is greater than the *corrected input tax credit amount, you have an *increasing adjustment equal to the difference between the previously attributed input tax credit amount and the corrected input tax credit amount.

19-85 Decreasing adjustments for acquisitions

If the *previously attributed input tax credit amount is less than the *corrected input tax credit amount, you have a *decreasing adjustment equal to the difference between the corrected input tax credit amount and the previously attributed input tax credit amount.
Division 21—Bad debts

21-1 What this Division is about

If debts are written off as bad or are outstanding after 12 months, adjustments (for the purpose of working out net amounts) are made. They can arise both for amounts written off or outstanding and for recovery of amounts previously written off or outstanding.

Note: This Division does not apply to supplies and acquisitions that you account for on a cash basis (except in the limited circumstances referred to in Division 159).

21-5 Writing off bad debts (taxable supplies)

(1) You have a decreasing adjustment if:
   (a) you made a taxable supply; and
   (b) the whole or part of the consideration for the supply has not been received; and
   (c) you write off as bad the whole or a part of the debt, or the whole or a part of the debt has been due for 12 months or more.

   The amount of the decreasing adjustment is $\frac{1}{11}$ of the amount written off, or $\frac{1}{11}$ of the amount that has been due for 12 months or more, as the case requires.

(2) However, you cannot have an adjustment under this section if you *account on a cash basis.

21-10 Recovering amounts previously written off (taxable supplies)

You have an increasing adjustment if:
   (a) you made a taxable supply in relation to which you had a decreasing adjustment under section 21-5 for a debt; and
   (b) you recover the whole or a part of the amount written off, or the whole or a part of the amount that has been due for 12 months or more, as the case requires.

   The amount of the increasing adjustment is $\frac{1}{11}$ of the amount recovered.
21-15 Bad debts written off (creditable acquisitions)

(1) You have an *increasing adjustment* if:

(a) you made a *creditable acquisition for *consideration; and
(b) the whole or part of the consideration is due, but you have not provided the consideration due; and
(c) the supplier of the thing you acquired writes off as bad the whole or a part of the debt, or the whole or a part of the debt has been due for 12 months or more.

The amount of the increasing adjustment is \( \frac{1}{11} \) of the amount written off, or \( \frac{1}{11} \) of the amount that has been due for 12 months or more, as the case requires.

(2) However, you cannot have an *adjustment under this section if you *account on a cash basis.

21-20 Recovering amounts previously written off (creditable acquisitions)

You have a *decreasing adjustment* if:

(a) you made a *creditable acquisition in relation to which you had an *increasing adjustment under section 21-15 for a debt; and

(b) you pay to the supplier of the thing you acquired the whole or a part of the amount written off, or the whole or a part of the amount that has been due for 12 months or more, as the case requires.

The amount of the decreasing adjustment is \( \frac{1}{11} \) of the amount recovered.

Division 23  Who is required to be registered and who may be registered

Section 23-10

Note: It is the entity that carries on the enterprise that is required to be registered (and not the enterprise).

23-10 Who may be registered

(1) You may be registered under this Act if you are carrying on an enterprise (whether or not your turnover is at, above or below the registration turnover threshold).

(2) You may be registered under this Act if you intend to carry on an enterprise from a particular date.

23-15 The registration turnover threshold

(1) Your registration turnover threshold (unless you are a non-profit body) is:
   (a) $50,000; or
   (b) such higher amount as the regulations specify.

(2) Your registration turnover threshold if you are a non-profit body is:
   (a) $100,000; or
   (b) such higher amount as the regulations specify.

42  A New Tax System (Goods and Services Tax) Act 1999
Division 25—How you become registered, and how your registration can be cancelled

Table of Subdivisions

25-A How you become registered
25-B How your registration can be cancelled

Subdivision 25-A—How you become registered

25-1 When you must apply for registration

You must apply, in the *approved form, to be *registered under this Act if:

(a) you are not registered under this Act; and
(b) you are *required to be registered.

You must make your application within 21 days after becoming required to be registered.

25-5 When the Commissioner must register you

(1) The Commissioner must *register you if:

(a) you have applied for registration in an *approved form; and
(b) the Commissioner is satisfied that you are *carrying on an *enterprise, or you intend to carry on an enterprise from a particular date specified in your application.

Note: Refusing to register you under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The Commissioner must *register you (even if you have not applied for registration) if the Commissioner is satisfied that you are *required to be registered.

Note: Registering you under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(3) The Commissioner must notify you in writing of any decision he or she makes in relation to you under this section. If the
Commissioner decides to register you, the notice must specify the following:

(a) the date of effect of your registration;
(b) your registration number;
(c) the tax periods that apply to you.

**25-10 The date of effect of your registration**

The Commissioner must decide the date from which your registration takes effect, or took effect. However:

(a) if you did not apply for registration and the Commissioner is satisfied that you are required to be registered—the date of effect must not be a day before the day on which you became required to be registered; or

(b) if you applied for registration—the date of effect must not be a day before:
   (i) the day specified in your application; or
   (ii) if the Commissioner is satisfied that you became required to be registered on an earlier day—the day that the Commissioner is satisfied is that earlier day; or

(c) if you are being registered only because you intend to carry on an enterprise—the date of effect must not be a day before the day specified, in your application for registration, as the day from which you intend to carry on the enterprise.

Note: Deciding the date of effect of your registration is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

**25-15 Effect of backdating your registration**

If the Commissioner decides under section 25-10, as the date of effect of your registration (*your registration day*), a day before the day of the decision, then you are taken:

(a) for the purpose of determining whether a supply you made on or after your registration day was a taxable supply; and

(b) for the purpose of determining whether an acquisition you made on or after that day was a creditable acquisition; and

(c) for the purpose of determining whether an importation you made on or after that day was a creditable importation;
to have been registered from and including your registration day.

Note: This section ensures that backdating your registration enables your supplies and acquisitions made on or after the date of effect to be picked up by the GST system. Section 25-10 limits the extent to which your registration can be backdated.

Subdivision 25-B—How your registration can be cancelled

25-50 When you must apply for cancellation of registration

If you are registered and you are not carrying on any enterprise, you must apply to the Commissioner in the approved form for cancellation of your registration. You must lodge your application within 21 days after the day on which you ceased to be carrying on any enterprise.

25-55 When the Commissioner must cancel registration

(1) The Commissioner must cancel your registration if:
   (a) you have applied for cancellation of registration in the approved form; and
   (b) at the time you applied for cancellation of registration, you had been registered for at least 12 months; and
   (c) the Commissioner is satisfied that you are not required to be registered.

Note: Refusing to cancel your registration under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The Commissioner must cancel your registration (even if you have not applied for cancellation of your registration) if:
Section 25-60

(a) the Commissioner is satisfied that you are not *carrying on an *enterprise; and
(b) the Commissioner believes on reasonable grounds that you are not likely to carry on an enterprise for at least 12 months.

Note: Cancelling your registration under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(3) The Commissioner must notify you of any decision he or she makes in relation to you under this section. If the Commissioner decides to cancel your registration, the notice must specify the date of effect of the cancellation.

25-60 The date of effect of your cancellation

The Commissioner must decide the date on which the cancellation of your *registration under subsection 25-55(1) or (2) takes effect. That date may be any day occurring before, on or after the day on which the Commissioner makes the decision.

Note: Deciding the date of effect of the cancellation of your registration is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

25-65 Effect of backdating your cancellation of registration

If the Commissioner decides under section 25-60, as the date of effect of the cancellation of your *registration (*your cancellation day*), a day before the day of the decision, your registration is taken:

(a) for the purpose of determining whether a supply you made on or after your cancellation day was a *taxable supply; and
(b) for the purpose of determining whether an acquisition you made on or after that day was a *creditable acquisition; and
(c) for the purpose of determining whether an importation you made on or after that date was a *creditable importation; to have been cancelled from and including your cancellation day.

Part 2-6—Tax periods

Division 27—How to work out the tax periods that apply to you

27-1 What this Division is about

This Division tells you the tax periods that apply to you. You need to know this because your net amounts (the amounts payable by you or to you) are worked out in respect of these tax periods.

27-5 General rule—3 month tax periods

The tax periods that apply to you are each period of 3 months ending on 31 March, 30 June, 30 September or 31 December in any year, except to the extent that:

(a) an election is in force under section 27-10; or
(b) the Commissioner determines otherwise under this Division.

27-10 Election of one month tax periods

(1) The tax periods that apply to you are each individual month if, by notifying the Commissioner in the *approved form, you elect to have as the tax periods that apply to you each individual month.

(2) The election takes effect on the day specified in the notice. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

27-15 Determination of one month tax periods

(1) The Commissioner must determine that the tax periods that apply to you are each individual month if:

(a) the Commissioner is satisfied that your *annual turnover meets the *tax period turnover threshold; or
(b) the Commissioner is satisfied that the period for which you will be *carrying on an *enterprise in Australia is less than 3 months; or

A New Tax System (Goods and Services Tax) Act 1999
(c) the Commissioner is satisfied that you have a history of failing to comply with your obligations under a *taxation law; or

(d) your *income year is not the same as the *financial year.

Note: Determining under this section the tax periods applying to you is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The determination takes effect on the day specified in the determination. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

Note: Deciding the date of effect of the determination is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(3) The tax period turnover threshold is:

(a) $20 million; or

(b) such other amount as the regulations specify.

However, if the regulations change the tax period turnover threshold, the change does not apply to you until the start of the next tax period that starts after the regulation in question comes into operation.

27-20 Withdrawing elections of one month tax periods

(1) You may, by notifying the Commissioner in the *approved form, withdraw an election under section 27-10, unless your *annual turnover meets the *tax period turnover threshold.

(2) The withdrawal takes effect on the day specified in the notice. However, the day specified:

(a) must be 1 January, 1 April, 1 July or 1 October, or any day occurring before the election takes effect; and

(b) must not be a day occurring earlier than 12 months after the election took effect.

27-25 Revoking determinations of one month tax periods

(1) The Commissioner must revoke a determination under section 27-15 relating to you if you so request, unless the Commissioner is
satisfied that any of the grounds for making a determination under that section apply to you.

Note: Refusing to revoke a determination under this section is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The revocation takes effect on the day specified in the instrument of revocation. However, the day specified:

(a) must be 1 January, 1 April, 1 July or 1 October; and

(b) must not be a day occurring earlier than 12 months after the determination took effect.

Note: Deciding the date of effect of the revocation is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

27-30 Tax periods determined by the Commissioner to take account of changes in tax periods

(1) For the purpose of ensuring the effective operation of this Division where the tax periods have changed, the Commissioner may, by written notice given to you, determine that a period specified in the notice is a tax period that applies to you.

Note: Determining under this section a tax period applying to you is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The period specified in the notice may start earlier than the day on which the notice is given to you.

(3) However, the period specified in the notice:

(a) must be less than 3 months; and

(b) must not overlap with any part of any other tax period for which you have already given a GST return to the Commissioner.

For the giving of GST returns to the Commissioner, see Division 31.

27-35 Changing the days on which your tax periods end

(1) You may change the day in each year on which a tax period would otherwise end. However:
(a) the day must be no more than 7 days earlier or 7 days later than a day on which one of the tax periods that applies to you would otherwise end if the days were not changed; and
(b) the change must be consistent with the commercial accounting periods that apply to you.

(2) If the day on which a tax period ends is changed, the next tax period starts on the day after that day.

27-37 Special determination of tax periods on request

(1) The Commissioner may, in accordance with a request you make in the *approved form, determine the tax periods applying to you to be the tax periods specified in the request if the Commissioner is satisfied that:
   (a) your *annual turnover meets the *tax period turnover threshold; and
   (b) the tax periods specified in the request are consistent with the commercial accounting periods that apply to you; and
   (c) the tax periods specified in the request would, if determined under this section, result in 12 complete tax periods in each year; and
   (d) any other requirements specified in the regulations are complied with.

Note: Refusing a request for a determination under this section is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

(2) A determination under this section overrides any determination under section 27-15 or 27-30 relating to tax periods applying to you.

27-38 Revoking special determination of tax periods

(1) The Commissioner must revoke a determination under section 27-37 if the Commissioner is satisfied that any of the requirements of paragraphs 27-37(1)(a), (b), (c) and (d) are not complied with.

Note: Revoking a determination under this section is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).
(2) The revocation takes effect on the day specified in the instrument of revocation. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

Note: Deciding the date of effect of the revocation is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

(3) A revocation under this section revives any election under section 27-10, or any determination under section 27-15 or 27-30, relating to tax periods applying to you.

27-40 An entity’s concluding tax period

(1) If:

(a) an individual dies, becomes bankrupt or ceases to *carry on any enterprise*; or

(b) any other entity goes into liquidation or receivership, ceases to carry on any enterprise or for any reason ceases to exist;

the individual’s or entity’s tax period at the time is taken to have ceased at the end of the day before the death, bankruptcy, cessation, liquidation or receivership.

(2) If an entity’s *registration is cancelled, the entity’s tax period at the date of effect of the cancellation (the cancellation day) ceases at the end of the cancellation day.*

*A New Tax System (Goods and Services Tax) Act 1999*
Division 29—What is attributable to tax periods

Table of Subdivisions

29-A The attribution rules
29-B Accounting on a cash basis
29-C Tax invoices and adjustment notes

29-1 What this Division is about

This Division tells you the tax periods to which your taxable supplies, creditable acquisitions, creditable importations and adjustments are attributable. You need to know this to work out your net amounts under Part 2-4.

Note: This Division does not deal with your taxable importations, because they are not attributed to tax periods. See section 33-15 for payment of GST on taxable importations.

Subdivision 29-A—The attribution rules

29-5 Attributing the GST on your taxable supplies

(1) The GST payable by you on a *taxable supply is attributable to:
   (a) the tax period in which any of the *consideration is received for the supply; or
   (b) if, before any of the consideration is received, an *invoice is issued relating to the supply—the tax period in which the invoice is issued.

(2) However, if you *account on a cash basis, then:
   (a) if, in a tax period, all of the *consideration is received for a *taxable supply—GST on the supply is attributable to that tax period; or
   (b) if, in a tax period, part of the consideration is received—GST on the supply is attributable to that tax period, but only to the extent that the consideration is received in that tax period; or
(c) if, in a tax period, none of the consideration is received—none of the GST on the supply is attributable to that tax period.

29-10 Attributing the input tax credits for your creditable acquisitions

(1) The input tax credit to which you are entitled for a creditable acquisition is attributable to:
   (a) the tax period in which you provide any of the consideration for the acquisition; or
   (b) if, before you provide any of the consideration, an invoice is issued relating to the acquisition—the tax period in which the invoice is issued.

(2) However, if you account on a cash basis, then:
   (a) if, in a tax period, you provide all of the consideration for a creditable acquisition—the input tax credit for the acquisition is attributable to that tax period; or
   (b) if, in a tax period, you provide part of the consideration—the input tax credit for the acquisition is attributable to that tax period, but only to the extent that you provided the consideration in that tax period; or
   (c) if, in a tax period, none of the consideration is provided—none of the input tax credit for the acquisition is attributable to that tax period.

(3) If you do not hold a tax invoice for a creditable acquisition when you give to the Commissioner a GST return for the tax period to which the input tax credit (or any part of the input tax credit) on the acquisition would otherwise be attributable:
   (a) the input tax credit (including any part of the input tax credit) is not attributable to that tax period; and
   (b) the input tax credit (or part) is attributable to the first tax period for which you give to the Commissioner a GST return at a time when you hold that tax invoice.

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner to be circumstances in which the requirement for a tax invoice does not apply.
29-15 Attributing the input tax credits for your creditable importations

The input tax credit to which you are entitled for a *creditable importation is attributable to the tax period in which you pay the GST on the importation.

29-20 Attributing your adjustments

(1) An *adjustment that you have is attributable to the tax period in which you become aware of the adjustment.

(2) However, if you *account on a cash basis, and the *adjustment arises from an *adjustment event as a result of which you are liable to provide *consideration, then:
   (a) if, in a tax period, all of the consideration is provided—the *adjustment is attributable to that tax period; or
   (b) if, in a tax period, part of the consideration is provided—the adjustment is attributable to that tax period, but only to the extent that the consideration is provided in that tax period; or
   (c) if, in a tax period, none of the consideration is provided—none of the adjustment is attributable to that tax period.

(3) If:
   (a) you have a *decreasing adjustment arising from an *adjustment event; and
   (b) you do not hold an *adjustment note for the adjustment when you give to the Commissioner a *GST return for the tax period to which the adjustment (or any part of the adjustment) would otherwise be attributable;

then:
   (c) the adjustment (including any part of the adjustment) is not attributable to that tax period; and
   (d) the adjustment (or part) is attributable to the first tax period for which you give to the Commissioner a GST return at a time when you hold that adjustment note.
Section 29-25

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner to be circumstances in which the requirement for an adjustment note does not apply.

For the giving of GST returns to the Commissioner, see Division 31.

29-25 Commissioner may determine particular attribution rules

(1) The Commissioner may, in writing, determine the tax periods to which:
   (a) GST on *taxable supplies of a specified kind; or
   (b) input tax credits for *creditable acquisitions of a specified kind; or
   (c) input tax credits for *creditable importations of a specified kind; or
   (d) *adjustments of a specified kind;

are attributable.

(2) However, the Commissioner must not make a determination under this section unless satisfied that it is necessary to prevent the provisions of this Division and Chapter 4 applying in a way that is inappropriate in circumstances involving:
   (a) a supply or acquisition in which possession of goods passes, but title in the goods will, or may, pass at some time in the future; or
   (b) a supply or acquisition for which payment is made or an *invoice is issued, but use, enjoyment or passing of title will, or may, occur at some time in the future; or
   (c) a supply or acquisition occurring, but still being subject to a statutory cooling off period under an *Australian law; or
   (d) a supply or acquisition occurring before the supplier or *recipient knows it has occurred; or
   (e) a supply or acquisition occurring before the supplier or recipient knows the total *consideration; or
   (f) a supply or acquisition made under a contract that is subject to preconditions; or
   (g) a supply or acquisition made under a contract that provides for retention of some or all of the consideration until certain conditions are met.
(3) Determinations under subsection (1) override the provisions of this Division (except this section) and Chapter 4, but only to the extent of any inconsistency.

Subdivision 29-B—Accounting on a cash basis

29-40 Choosing to account on a cash basis

(1) If your "annual turnover does not exceed the "cash accounting turnover threshold, you may choose to "account on a cash basis, with effect from the first day of the tax period that you choose.

(2) However, any charitable institution, any trustee of a charitable fund or any "gift-deductible entity may choose to "account on a cash basis.
basis, with effect from the first day of the tax period that the institution, trustee or entity chooses, whether or not its *annual turnover exceeds the *cash accounting turnover threshold.

(3) The cash accounting turnover threshold is:
   (a) $500,000; or
   (b) such higher amount as the regulations specify.

29-45 Permission to account on a cash basis

(1) The Commissioner may permit you to *account on a cash basis if:
   (a) you apply to the Commissioner in the *approved form for permission to account on a cash basis; and
   (b) the Commissioner is satisfied that, having regard to:
       (i) the nature and size of the *enterprise that you *carry on; and
       (ii) the nature of the accounting system that you use; and
       (iii) how you account for income tax purposes;
       it is appropriate to permit you to account on a cash basis.

Note: Refusing to permit you to account on a cash basis is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The Commissioner must notify you in writing of any decision he or she makes in relation to you under this section. If the Commissioner decides to permit you to *account on a cash basis, the notice must specify the date of effect of your permission.

Note: Deciding the date of effect of your permission to account on a cash basis is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

29-50 Ceasing to account on a cash basis

(1) You cease to *account on a cash basis if:
   (a) your *annual turnover meets the *cash accounting turnover threshold and you do not have permission to *account on a cash basis; or
   (b) you notify the Commissioner, in the *approved form, that you are ceasing to *account on a cash basis.
(2) The date of effect of your cessation is the first day of the next tax period to commence after your *annual turnover meets the *cash accounting turnover threshold, or you notify the Commissioner, as the case may be.

(3) The Commissioner must revoke any permission for you to *account on a cash basis if the Commissioner is satisfied that:
   (a) your *annual turnover meets the *cash accounting turnover threshold; and
   (b) it is not appropriate to permit you to account on a cash basis.

Note: Revoking your permission to account on a cash basis is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(4) The Commissioner must notify you in writing of his or her decision under subsection (3). The notice must specify the date of effect of the revocation, which can be the first day of any tax period starting before, on or after the day on which the Commissioner makes the decision.

Note: Deciding the date of effect of the revocation of your permission to account on a cash basis is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(5) Paragraph (1)(a) and subsection (3) do not apply in relation to any charitable institution, any trustee of a charitable fund or any *gift-deductible entity.

Subdivision 29-C—Tax invoices and adjustment notes

29-70 Tax invoices

(1) A tax invoice for a *taxable supply:
   (a) must be issued by the supplier, unless it is a *recipient created tax invoice (in which case it must be issued by the *recipient); and
   (b) must set out the *ABN of the entity that issues it; and
   (c) must set out the *price for the supply; and
   (d) must contain such other information as the regulations specify; and
   (e) must be in the *approved form.
Section 29-75

(2) The supplier of a *taxable supply must, within 28 days after the *recipient of the supply requests it, give to the recipient a *tax invoice for the supply, unless it is a *recipient created tax invoice.

(3) A *recipient created tax invoice is a *tax invoice belonging to a class of tax invoices that the Commissioner has determined in writing may be issued by the *recipient of a *taxable supply.

29-75 Adjustment notes

(1) An *adjustment note for an *adjustment that arises from an *adjustment event relating to a *taxable supply:
   (a) must be issued by the supplier of the *taxable supply, unless any *tax invoice relating to the supply would have been a *recipient created tax invoice (in which case it must be issued by the *recipient of the supply); and
   (b) must set out the *ABN of the entity that issues it; and
   (c) must contain such other information as the Commissioner determines in writing; and
   (d) must be in the *approved form.

(2) The supplier of the *taxable supply must:
   (a) within 28 days after the *recipient of the supply requests the supplier to give an *adjustment note for the *adjustment relating to the supply; or
   (b) if, before receiving such a request, the supplier becomes aware of the adjustment—within 28 days after becoming aware of that fact;

   give to the recipient an *adjustment note for the *adjustment, unless any *tax invoice relating to the supply would have been a *recipient created tax invoice.

29-80 Tax invoices and adjustment notes not required for low value transactions

(1) Subsections 29-10(3) and 29-70(2) do not apply to a *creditable acquisition that relates to a *taxable supply the *value of which does not exceed $50, or such higher amount as the regulations specify.
(2) Subsections 29-20(3) and 29-75(2) do not apply to a "decreasing adjustment that relates to a "taxable supply the "value of which does not exceed $50, or such higher amount as the regulations specify.

33-1 What this Division is about

This Division is about your obligation to pay to the Commonwealth amounts of GST that remain after off-setting your entitlements to input tax credits. The obligation to pay arises for any of your net amounts that are greater than zero.

For the penalties for failing to comply with these obligations, see the Taxation Administration Act 1953.

Note: Payments of GST on importations of goods are dealt with separately in section 33-15.

33-5 When payments of net amounts must be made

(1) If the net amount for a tax period applying to you is greater than zero, you must pay the net amount to the Commissioner on or before the 21st day of the month following the end of that tax period.

(2) However, if the tax period ends during the first 7 days of a month, you must pay the net amount to the Commissioner on or before the 21st day of that month.

33-10 How payments of net amounts are made

(1) You may pay by electronic payment any net amounts payable by you under section 33-5. Any amounts of a net amount that you do not pay by electronic payment must be paid in the manner determined in writing by the Commissioner.

(2) However, if your annual turnover meets the electronic lodgment turnover threshold, you must pay by electronic payment any net amounts payable by you under section 33-5.

Note: A penalty applies if you fail to make an electronic payment as required—see section 41 of the Taxation Administration Act 1953.
33-15 Payments of amounts of GST on importations

Amounts of GST on *taxable importations are to be paid by the importer to the Commonwealth:

(b) in the circumstances specified in the regulations, within such further time specified in the regulations, and at the place and in the manner specified in the regulations.

Note: The regulations could (for example) allow for deferral of payments to coincide with payments of net amounts.

33-20 Commissioner may extend time for payment

The Commissioner may, in a particular case, extend the time for a payment of:

(a) a *net amount; or

(b) an amount of GST; or

(c) an amount of a penalty under Part VI of the Taxation Administration Act 1953;

or allow it to be paid by instalments on terms determined by the Commissioner.

33-25 Commissioner may bring forward payment date if you are about to leave Australia

If the Commissioner has reason to believe that you may leave Australia before a particular payment of:

(a) a *net amount; or

(b) an amount of GST; or

(c) an amount of a penalty under Part VI of the Taxation Administration Act 1953;

would (apart from this section) become due, that amount becomes due for payment on the day the Commissioner fixes and notifies to you.

Note: The Commissioner has power to issue departure prohibition orders under Part IVA of the Taxation Administration Act 1953.
33-30 Net amounts etc. a debt due to the Commonwealth

When a "net amount, an amount of GST or an amount of a penalty under Part VI of the Taxation Administration Act 1953 becomes payable, it is a debt due to the Commonwealth.

(b) the supply is of commercial accommodation and Division 87 (which is about long-term accommodation in commercial premises) would apply to the supply but for a choice made by the supplier under section 87-25.

(2) However:

(a) the supply is input taxed only to the extent that the premises are to be used predominantly for residential accommodation; and

(b) the supply is not input taxed under this section if the lease, hire or licence, or the renewal or extension of a lease, hire or licence, is a long-term lease.

Subdivision 40-C—Residential premises

40-65 Sales of residential premises

(1) A supply is input taxed if:

(a) the supply is of real property but only to the extent that the property is residential premises to be used predominantly for residential accommodation; and
(b) the supply is by way of "long-term lease.

(2) However, the supply is not input taxed to the extent that the "residential premises are "commercial residential premises or "new residential premises.

Subdivision 40-D—Precious metals

40-100 Precious metals

Subdivision 40-E—School tuckshops and canteens

40-130 School tuckshops and canteens

(1) A supply of "food is input taxed if:

(a) the supply is made by a non-profit body through a shop operating on the grounds of a "school that supplies "primary courses or "secondary courses; and

(2) However, the non-profit body:

(a) cannot make a choice under paragraph (1)(b) if any supplies are made through the shop that are not supplies of "food; and

(b) cannot revoke the choice within 12 months after the day on which the non-profit body made the choice; and

(c) cannot make a further choice within 12 months after the day on which the non-profit body revoked a previous choice.

(3) This section does not apply to a supply of "food by a "school to boarding students of the school as part of their board.
Part 3-2—Non-taxable importations

Division 42—Non-taxable importations

42-1 What this Division is about

This Division sets out the importations that are non-taxable. No GST is payable on an importation that is non-taxable (see sections 7-1 and 13-5).

For the basic rules about non-taxable importations, see sections 13-10 and 13-25.

42-5 Non-taxable importations—Schedule 4 to the Customs Tariff Act 1995

(2) To avoid doubt, a reference to goods that are covered by an item in Schedule 4 to the Customs Tariff Act 1995 includes a reference to goods to which that item would apply if they were dutiable goods within the meaning of the Customs Act 1901.

42-10 Ship and aircraft stores

An importation of goods is a non-taxable importation if the goods are *ship’s stores or *aircraft’s stores.

42-15 Goods imported or purchased by overseas travellers

(1) An importation of goods is a non-taxable importation if the goods:

(a) are imported by a passenger or member of the crew of a *ship or aircraft; and

(b) are covered by item 15 in Schedule 4 to the Customs Tariff Act 1995.
(2) An importation of goods is a non-taxable importation if the goods:
   (a) are purchased from an inwards duty free shop by a relevant traveller; and
   (b) are covered by item 15 in Schedule 4 to the Customs Tariff Act 1995 (or would be covered if they had been imported by the relevant traveller).
Chapter 4—The special rules

Division 45—Introduction

45-1 What this Chapter is about

This Chapter sets out the special rules for the GST. The special rules apply only in particular circumstances, and are generally quite limited in their scope.

The special rules modify the application of the basic rules for the GST in Chapter 2.

Note 1: The special rules that modify each group of basic rules in Chapter 2 are specifically identified in tables located at the end of the Divisions and Subdivisions in Chapter 2. In addition, a checklist of special rules is set out in Part 2-8.

Note 2: This section is an explanatory section.

45-5 The effect of special rules

The provisions of this Chapter override the provisions of Chapter 2 (except section 29-25), but only to the extent of any inconsistency.
Chapter 4  The special rules  
Part 4-1  Special rules mainly about particular ways entities are organised  
Division 48  GST groups  

Section 48-1  

Part 4-1—Special rules mainly about particular ways entities are organised  

Note: The special rules in this Part mainly modify the operation of Part 2-2 so far as that Part deals with liability for GST and entitlement to input tax credits, but the special rules also affect other aspects of Part 2-2 and the other Parts of Chapter 2.  

Division 48—GST groups  

Table of Subdivisions  
48-A Approval of GST groups  
48-B Consequences of approval of GST groups  
48-C Administrative matters  

48-1 What this Division is about  

Companies within a 90% owned group can be approved as a GST group. One member of the group then deals with all the GST liabilities and entitlements (except for GST on most taxable importations) of the group, and intra-group transactions are excluded from the GST.  

Subdivision 48-A—Approval of GST groups  

48-5 Approval of GST groups  

(1) The Commissioner must approve 2 or more entities as a GST group if:  

(a) the entities jointly apply, in the approved form, for approval as a GST group; and  
(b) each of the entities satisfies the membership requirements for that GST group; and  
(c) the application nominates one of the entities to be the representative member for the group; and  
(d) the entity so nominated is an Australian resident.  

A group of entities that is so approved is a GST group.

Part 4-1

GST groups

Division 48

Section 48-10

(2) If the application for approval includes 2 or more *companies, the application need not include all the companies of the *90% owned group to which the 2 or more companies belong.

Note: Refusing an application for approval under this section is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

48-10 Membership requirements of a GST group

(1) An entity satisfies the membership requirements of a *GST group, or a proposed GST group, if the entity:

(a) is:

(i) a *company; or

(ii) a *partnership or trust that satisfies the requirements specified in the regulations; and

(b) is, if the entity is a company, a company of the same *90% owned group as all the other members of the GST group or proposed GST group that are also companies; and

(c) is *registered; and

(d) has the same tax periods applying to it as the tax periods applying to all those other members; and

(e) accounts on the same basis as all those other members; and

(f) is not a member of any other GST group.

(2) However, paragraph (1)(a) does not apply if:

(a) the entity is a non-profit body; and

(b) all the other members of the GST group or proposed GST group are non-profit bodies; and

(c) the entity and all those other members are members of the same *non-profit association.

Subdivision 48-B—Consequences of approval of GST groups

48-40 Who is liable for GST

(1) GST payable on any *taxable supply or *taxable importation that a *member of a *GST group makes:

(a) is payable by the *representative member; and
(b) is not payable by the member that made it (unless the member is the representative member).

(2) However:

(a) a supply that an entity makes to another *member of the same *GST group is treated as if it were not a *taxable supply (unless it is a taxable supply because of Division 84 (which is about offshore supplies other than goods or real property)); and

(b) this section only applies to GST payable on a *taxable importation made, by a member of the GST group other than the *representative member, if the GST on the importation is payable at a time when GST on *taxable supplies is normally payable by the representative member.

(3) This section has effect despite sections 9-40 and 13-15 (which are about liability for GST).

### 48-45 Who is entitled to input tax credits

(1) If a *member of a *GST group makes a *creditable acquisition or *creditable importation:

(a) the *representative member is entitled to the input tax credit on the acquisition or importation; and

(b) the member making the acquisition or importation is not entitled to the input tax credit on the acquisition or importation (unless the member is the representative member).

(2) In deciding, for the purposes of subsection (1), whether an acquisition or importation by a *member of a *GST group is a *creditable acquisition or *creditable importation, the acquisition or importation is treated as being solely or partly for a *creditable purpose if, and only if, it would be so treated if:

(a) the GST group were treated as a single entity; and

(b) the GST group were not treated as a number of entities corresponding to the members of the GST group.

(3) However, an acquisition that an entity makes from another *member of the same *GST group is treated as if it were not a *creditable acquisition.
(4) This section has effect despite sections 11-5 and 15-5 (which are about what are creditable acquisitions and creditable importations), and sections 11-20 and 15-15 (which are about who is entitled to input tax credits).

48-50 Adjustments

(1) Any *adjustment that a *member of a *GST group has is to be treated as if:
   (a) that member did not have the adjustment (unless that member is the *representative member); and
   (b) the representative member had the adjustment.

(2) This section has effect despite section 17-10 (which is about the effect of adjustments on net amounts).

48-55 GST groups treated as single entities for certain purposes

(1) Despite sections 48-45 and 48-50, a *GST group is treated as a single entity, and not as a number of entities corresponding to the *members of the GST group, for the purposes of working out:
   (a) the amounts of any input tax credits to which the *representative member is entitled; and
   (b) whether the representative member has any *adjustments; and
   (c) the amounts of any such adjustments.

(2) This section has effect despite section 11-25 (which is about the amount of input tax credits) and section 17-10 (which is about the effect of adjustments on net amounts).

48-60 GST returns

(1) If you are a *member of a *GST group during the whole of a tax period, you are not required to give to the Commissioner a *GST return for that tax period, unless you are the *representative member of the group during that period.

(2) This section has effect despite section 31-5 (which is about who must give GST returns).
**Subdivision 48-C—Administrative matters**

**48-70 Changing the membership etc. of GST groups**

*Changes made on application*

(1) The Commissioner must, if the *representative member of a *GST group applies to the Commissioner in the *approved form, do one or more of these (as requested in the application):

   (a) approve, as an additional *member of the GST group, another *company that *satisfies the membership requirements for the GST group;

   (b) revoke the approval of one of the members of the GST group as a member of the group;

   (c) approve another member of the GST group to replace the applicant as the representative member of the group.

Note: Refusing an application for approval or revocation under this subsection is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

*Changes made without application*

(2) The Commissioner must revoke the approval of one of the *members of a *GST group if satisfied that the member does not *satisfy the membership requirements for the GST group.

Note: Revoking under this subsection an approval under this Division is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

**48-75 Revoking the approval of GST groups**

*Revoking on application*

(1) The Commissioner must, if the *representative member of a *GST group applies to the Commissioner in the *approved form, revoke the approval of the group as a GST group.

Note: Refusing an application for revocation under this subsection is a reviewable GST decision (see Division 7 of Part VI of the *Taxation Administration Act 1953*).

48-80 Notification by representative members

The *representative member of a *GST group must notify the Commissioner of any circumstances under which the Commissioner must:

(a) revoke the approval of one of the *members of the group under subsection 48-70(2); or

(b) revoke the approval of the group under subsection 48-75(2).

The notification may (in appropriate cases) be in the form of an application under subsection 48-70(1). The notification, or application, must be given to the Commissioner within 21 days after the circumstances occurred.

48-85 Date of effect of approvals and revocations

(1) The Commissioner must decide the date of effect of any approval, or any revocation of an approval, under this Division.

(2) The date of effect may be the day of the decision, or a day before or after that day. However, it must be the beginning of a tax period applying to the members of the *GST group in question.

Note: Deciding under this section the date of effect of any approval, or any revocation of an approval, under this Division is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

48-90 Notification by the Commissioner

- 51-B  Consequences of approval of GST joint ventures
- 51-C  Administrative matters

51-1 What this Division is about

Subdivision 51-A—Approval of GST joint ventures

51-5 Approval of GST joint ventures

(1) The Commissioner must approve 2 or more *companies as the *participants in a *GST joint venture if:
   (a) the joint venture is a joint venture for the exploration or exploitation of *mineral deposits, or for a purpose specified in the regulations; and
   (b) the joint venture is not a *partnership; and
   (c) the companies jointly apply, in the *approved form, for approval of the joint venture as a GST joint venture; and
   (d) each of the companies *satisfies the participation requirements for that GST joint venture; and
   (e) the application nominates one of the companies to be the *joint venture operator for the joint venture.

A joint venture that is so approved is a GST joint venture.

Division 54  GST branches

Section 54-1

Division 54—GST branches

Table of Subdivisions

54-A  Registration of GST branches
54-B  Consequences of registration of GST branches
54-C  Cancellation of registration of GST branches

54-1 What this Division is about

A branch of a registered entity can be separately registered as a GST branch. Separate GST returns are given, and separate payments and refunds of GST are made, in respect of the branch.

Subdivision 54-A—Registration of GST branches

54-5 Registration of GST branches

(1) The Commissioner must register a branch of a registered entity if:

(a) the registered entity applies, in the approved form, for registration of the branch; and
(b) the Commissioner is satisfied that the branch maintains an independent system of accounting, and can be separately identified by reference to:
   (i) the nature of the activities carried on through the branch; or
   (ii) the location of the branch; and
(c) the Commissioner is satisfied that the registered entity is carrying on an enterprise through the branch, or intends to carry on an enterprise through the branch, from a particular date specified in the application.

A branch that is so registered is a GST branch.

(2) A branch of a registered entity can be registered as a GST branch without all or any of the other branches of the entity being so registered.
(3) However, a branch of a *registered entity cannot be registered as a *GST branch if the registered entity is a *member of a *GST group.

Note: Refusing an application for registration under this section is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

54-10 The date of effect of registration of a GST branch

The Commissioner must decide the date from which *registration as a *GST branch takes effect. However, the date of effect must not be a day before:

(a) the day specified in the application for that purpose; or
(b) if the branch is being registered only because it is intended that an *enterprise be *carried on through the branch—the date of effect must not be a day before the day specified, in the application, as the day from which it is intended to carry on the enterprise through the branch.

Note: Deciding the date of effect of registration as a GST branch is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

54-15 GST branch registration number

If the Commissioner registers a *GST branch, the Commissioner must notify the *registered entity of the branch’s *GST branch registration number.

Subdivision 54-B—Consequences of registration of GST branches

54-40 Additional net amounts relating to GST branches

(1) If an entity (the parent entity) has a *GST branch, Division 17 applies to the parent entity as if it had an additional *net amount, relating to the branch, for each tax period.

(2) The additional *net amount relating to the branch is worked out as if the branch were a separate entity and as if:

(a) all the supplies, acquisitions and importations made through the branch were made by that separate entity; and
Section 54-45

(b) all the *adjustments that the parent entity has arising from such supplies, acquisitions and importations were adjustments that the branch has; and
(c) all transfers of anything by the branch to the parent entity (including any other branch of the parent entity), that would have been supplies made by the branch if it were an entity, were supplies made by the separate entity; and
(d) all transfers of anything by the parent entity (including any other branch of the parent entity) to the branch, that would have been acquisitions made by the branch if it were an entity, were acquisitions made by the separate entity; and
(e) all adjustments that the branch would have had, if it were an entity, relating to the supplies and acquisitions it would have made as mentioned in paragraphs (c) and (d), were adjustments that the branch had.

(3) This section has effect despite sections 17-5 and 17-10 (which are about net amounts and adjustments).

54-45 Net amounts of parent entities

(1) If an entity (the parent entity) has a *GST branch, the parent entity’s *net amount is worked out as if:
(a) all the supplies, acquisitions and importations made through any GST branch of the parent entity were not supplies for which the parent entity is liable for GST, or acquisitions or importations for which the parent entity is entitled to input tax credits; and
(b) the parent entity does not have any *adjustments arising from such supplies, acquisitions and importations; and
(c) all transfers of anything by the parent entity to any GST branch of the parent entity, that would have been supplies made to the branch if it were an entity, were supplies made by the parent entity; and
(d) all transfers of anything by any GST branch of the parent entity to the parent entity, that would have been acquisitions made from the branch if it were an entity, were acquisitions made by the parent entity; and

(e) all adjustments that the parent entity would have had, if the GST branches of the parent entity were entities, relating to the supplies and acquisitions the parent entity would have made as mentioned in paragraphs (c) and (d), were adjustments that the parent entity had.

(2) However, the parent entity has no net amount under this section if all the enterprises that it carries on are carried on through its GST branches.

(3) This section has effect despite sections 17-5 and 17-10 (which are about net amounts and adjustments).

54-50 Tax invoices and adjustment notes

(1) The GST branch registration number of a GST branch must be set out in:
   (a) any tax invoice relating to a taxable supply made through that GST branch; and
   (b) any adjustment note for a decreasing adjustment that arose from the occurrence of an adjustment event relating to a taxable supply made through that GST branch.

(2) This section has effect despite sections 29-70 and 29-75 (which are about tax invoices and adjustment notes).

54-55 GST returns relating to GST branches

(1) An entity must, in relation to each GST branch of the entity, give to the Commissioner a GST return for each tax period applying to the entity.

(2) The net amount stated in such a return must be the net amount relating to the GST branch in question.

(3) The entity must still give a GST return under section 31-5, unless all the enterprises that it carries on are carried on through its GST branches.

(4) This section has effect despite sections 31-5 and 31-15 (which are about GST returns).
4-60 Payments of GST relating to GST branches

(1) If an entity has a *GST branch and the *net amount relating to the *GST branch for a tax period is greater than zero:
   (a) the entity must pay that net amount to the Commissioner; and
   (b) Division 33 applies to payment of that amount as if it were a payment the entity was obliged to make under section 33-5.

(2) This section has effect despite Division 33 (which is about payments of GST).

4-65 Refunds relating to GST branches

(1) If an entity has a *GST branch and the *net amount relating to the *GST branch for a tax period is less than zero:
   (a) the Commissioner must, on behalf of the Commonwealth, pay that net amount (expressed as a positive amount) to the entity; and
   (b) Division 35 applies to payment of that amount as if it were a payment the Commissioner was obliged to make under section 35-5.

(2) This section has effect despite Division 35 (which is about refunds).

Subdivision 54-C—Cancellation of registration of GST branches

5-70 When an entity must apply for cancellation of registration of a GST branch

(1) If an entity has a *GST branch and the entity is not *carrying on any *enterprise through the branch, the entity must apply to the Commissioner in the *approved form for cancellation of the *registration of the branch.

(2) The entity must lodge its application within 21 days after the day on which it ceased to *carry on any *enterprise through the branch.
54-75 When the Commissioner must cancel registration of a GST branch

(1) The Commissioner must cancel the *registration of a *GST branch of an entity if:

(a) the entity has applied for cancellation of registration in the *approved form; and

(b) at the time it applied, the branch had been registered for at least 12 months.

Note: Refusing to cancel the registration of a GST branch under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The Commissioner must cancel the *registration of a *GST branch of the entity (even if the entity has not applied for cancellation of the registration) if:

(a) the Commissioner is satisfied that the entity is not *carrying on an *enterprise through the branch; and

(b) the Commissioner believes on reasonable grounds that the entity is unlikely to carry on an enterprise through the branch for at least 12 months.

Note: Cancelling the registration of a GST branch under this subsection is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(3) The Commissioner must notify the entity of any decision he or she makes in relation to it under this section. If the Commissioner decides to cancel the registration, the notice must specify the date of effect of the cancellation.

54-80 The date of effect of cancellation of registration of a GST branch

The Commissioner must decide the date on which the cancellation of the *registration of a *GST branch of an entity under subsection 54-75(1) or (2) takes effect. That date may be any day occurring before, on or after the day on which the Commissioner makes the decision.

Note: Deciding the date of effect of the cancellation of the registration of a GST branch is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).
Section 54-85

54-85 Application of Subdivision 25-B

Part 4-1
Division 57

Section 57-40

A New Tax System (Goods and Services Tax) Act 1999

Note: Determining under this section the tax periods applying to you is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(2) The determination takes effect on the day specified in the determination. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

Note: Deciding the date of effect of the determination is a reviewable GST decision (see Division 7 of Part VI of the Taxation Administration Act 1953).

(3) This section has effect in addition to section 27-15 (which is about determination of one month tax periods).

57-40 GST returns for non-residents

(1) A non-resident is not required to give a GST return for a tax period if:
   (a) the non-resident’s net amount for the tax period is zero; or
   (b) the only taxable supplies or taxable importations that the non-resident made that are attributable to the tax period are taxable supplies or taxable importations made through a resident agent.

(2) This section has effect despite section 31-5 (which is about who must give GST returns).

57-45 Resident agents giving GST returns

If you are a resident agent acting for a non-resident, subsection 31-15(2) does not apply to you in relation to a tax period if, during the tax period:
   (a) the non-resident made taxable supplies, or supplies that would have been taxable supplies had they not been GST-free or input taxed, through you as agent; or
   (b) the non-resident made creditable acquisitions through you as agent.

57-50 Non-residents that belong to GST groups

This Division does not apply in relation to a non-resident that is a member of a GST group.

Division 60  Pre-establishment costs  

Section 60-1  

Division 60—Pre-establishment costs  

60-1  What this Division is about  

This Division enables input tax credits to arise in some circumstances in which acquisitions and importations are made before a company is in existence.  

60-5  Input tax credit for acquisitions and importations before establishment  

(1) If you make a *creditable acquisition that is a*pre-establishment acquisition, or a *creditable importation that is a *pre-establishment importation, relating to a *company before it is *in existence:  

(a) you are not entitled to the input tax credit on the acquisition or importation; and  

(b) once the company is in existence, it is entitled to the input tax credit on the acquisition or importation.  

(2) This section has effect despite sections 11-20 and 15-15 (which are about who is entitled to input tax credits).  

60-10  Registration etc. not needed for input tax credits  

(1) If you make a *pre-establishment acquisition, the fact that you are not *registered or *required to be registered does not stop the acquisition being a *creditable acquisition.  

(2) If you make a *pre-establishment importation, the fact that you are not *registered or *required to be registered does not stop the acquisition being a *creditable importation.  

(3) This section has effect despite sections 11-5 and 15-5 (which are about what are creditable acquisitions and creditable importations).
60-15 Pre-establishment acquisitions and importations

(1) An acquisition that you make is a pre-establishment acquisition, and an importation that you make is a pre-establishment importation, if:

(a) you do not apply the thing acquired or imported for any purpose other than for a creditable purpose relating to a company not yet in existence; and

(b) the company comes into existence, and becomes registered, within 6 months after the acquisition or importation; and

(c) you become a member, officer or employee of the company; and

(d) in the case of an acquisition—you have been fully reimbursed by the company for the consideration you provided for the acquisition; and

(e) in the case of an importation—you have been fully reimbursed by the company:

(i) for the GST paid on the importation; and

(ii) for the cost of acquiring or producing the thing imported.

(2) However, the acquisition or importation is not a pre-establishment acquisition or a pre-establishment importation if:

(a) you are entitled to an input tax credit for the acquisition or importation; or

(b) the company acquires the thing acquired or imported, and that acquisition by the company is a creditable acquisition.

60-20 Creditable purpose

(1) If, before a company is in existence, you make an acquisition or importation:

(a) for the purpose of bringing the company into existence; or

(b) for the purpose of the company carrying on an enterprise after it is in existence;

you acquire or import the thing for a creditable purpose only to the extent that you acquire or import it for either or both of those purposes.
(2) However, you do not acquire or import the thing for a creditable purpose to the extent that:
   (a) the acquisition or importation relates (directly or indirectly) to the company making supplies that would be *input taxed; or
   (b) the acquisition or importation is of a private or domestic nature.

(3) To the extent that an acquisition or importation relates to making *financial supplies through an *enterprise, or a part of an enterprise, that the company will *carry on outside Australia, the acquisition or importation is not, for the purposes of paragraph (2)(a), treated as one that relates to making supplies that would be *input taxed.

(4) This section has effect despite sections 11-15 and 15-10 (which are about creditable purpose).

60-25 Attributing the input tax credit for pre-establishment acquisitions

(1) The input tax credit to which a *company is entitled under this Division for an acquisition that you made is attributable to the tax period (applying to the company) in which you were fully reimbursed by the company for the *consideration you paid for the acquisition.

(2) However, if the company does not hold a copy of a *tax invoice that you (or your agent) hold for the acquisition when the company gives to the Commissioner a *GST return for the tax period to which the input tax credit for the acquisition would otherwise be attributable, then:
   (a) the input tax credit (including any part of the input tax credit) is not attributable to that tax period; and
   (b) the input tax credit (or the part of the input tax credit) is attributable to the first tax period for which the company gives to the Commissioner a GST return at a time when it holds a copy of that tax invoice.

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner, under subsection...
29-10(3), to be circumstances in which the requirement for a tax invoice does not apply.

For the giving of GST returns to the Commissioner, see Division 31.

(3) This section has effect despite section 29-10 (which is about attributing input tax credits for acquisitions).

60-30 Attributing the input tax credit for pre-establishment importations

(1) The input tax credit to which a *company is entitled under this Division for an importation that you made is attributable to the tax period (applying to the company) in which you were fully reimbursed by the company:
   (a) for the GST paid on the importation; and
   (b) for the cost of acquiring or producing the thing imported.

(2) This section has effect despite section 29-15 (which is about attributing input tax credits for importations).

60-35 Application of Division 129

If a *company is entitled under this Division to an input tax credit for an acquisition or importation, the acquisition or importation is treated, for the purposes of Division 129 (which is about changes in the extent of creditable purpose), as if the company had made it.
