A. BUDGET GLOSSARY: COST CATEGORIES

Use this glossary as a guide when completing the detailed budget and budget notes.

1. **Personnel:** *CSO staff salaries.*

List the individual's monthly or yearly salary, and percentage of time funded under this grant. Specify the individual's level of experience or expertise (senior, junior, qualification, etc.). Lifeline may request a CV for senior staff claiming high salaries. If the individual is hired just for the initiative, list under Contractual.

2. **Travel:** *CSO staff and key attendees' airfare, ground transport, per diem, lodging.*

Itemize transportation costs related to events, trainings, workshops, etc. Provide justification for the proposed travel, the specific destination, and mode of transportation. Both domestic and international travel should be included in this category.

3. **Equipment and supplies:** *General printing, phone or internet fees, office supplies/equipment.*

Itemize equipment and supplies per line item. Note that Lifeline will not fund programmatic or overhead costs. All items must be necessary for this specific initiative. Three bids are required for consideration of equipment purchases over \$1,000.

4. **Contractual:** *Consultant or trainer honorarium, legal fees, service fees, temporary CSO staff...*

Specify the rate/day for each consultant. Please provide a detailed line item breakdown explaining the specific service that the sub-grant/contract recipient will provide.

5. **Other Direct Costs:** *Room rentals, translation services, research, surveys, event food...*

Itemize costs under each activity. Lump sums for "miscellaneous" or "unforeseen costs" will not be considered. Lifeline will not provide funding for alcohol at initiative events.
