RECEIPT MODEL (Official Journal of December 7, 2003; Official Tax Bulletin 5 B-1-04)

For all gifts (payments, write-offs of income or fees incurred by the association) that you wish to consider in calculating your tax reduction (regardless of the beneficiary agency and the amount of the donation), you must attach your receipts in accordance with the official model (see below), which states the amount paid, to your tax return. Failing this, unexplained amounts will be not considered. For donations to campaigns and political parties, see the next page.

However, the organization is not required to list all information about the model's "beneficiary" on its receipt inasmuch as certain categories do not apply.

Attention: If you sign your 2003 tax return online, keep the receipt issued by the organization. You must produce it at the request of the authorities. To receive a tax reduction, you must list the name of each beneficiary and the amount of each payment on your tax return.
